18th July 2005

TO WHOM IT MAY CONCERN

This is to certify that M/s Power Research & Development Consultants Pvt Ltd., Bangalore was associated with us in conducting power system studies for NALCO Power Plant of 8 x 120 MW connected with GRIDCO grid against our Purchase Order No. AC-2016-10A dated August 12, 2003. The scope of studies involved were Load Flow Analysis, Short Circuit Study, Transient Stability Study, Harmonic Measurement and Analysis and Relay Co-ordination. The system studies were completed to the full satisfaction of NALCO and final report was issued in July 2004.
